Mr. Daniel Werfel, Acting Commissioner
Internal Revenue Service
1111 Constitution Avenue, NW
Washington, DC 20224

Dear Mr. Werfel:

On behalf of the Federal Managers Association (FMA), I am writing to congratulate you on your appointment as Acting Commissioner to the Internal Revenue Service (IRS). While the IRS is trying to overcome a difficult time, FMA knows that you will rise to the occasion.

FMA has enjoyed working with you over the past three years on the National Council on Federal Labor-Management Relations. We are grateful for your hard work to achieve effective labor relations throughout the federal government in order to promote efficiency in accomplishing missions and goals.

As the new Acting Commissioner, it falls on your shoulders to restore the public's faith in the IRS and its ability to administer tax code equally among all Americans. FMA has the fullest confidence that you are capable of accomplishing this. With your background as Controller at the Office of Management and Budget to improve program integrity, you are more than capable of steering the IRS.

Congratulations again on your nomination. We look forward to continuing to work with you towards our mutual goal of promoting excellence in public service.

Sincerely yours,

Patricia J. Niehaus
National President
