

Regions 3 & 4 Conference

October 8-10, 2021

Vacaville, California

What can FMA do for YOU and your chapter?

What can YOU do for FMA and your chapter?

Vacaville is located between San Francisco (67 miles), Oakland (57 miles), and Sacramento (36 miles) airports, is near Napa Valley (30 miles), and is home to the Vacaville Premium Outlets Shopping Centers (2 miles from hotel). We will be meeting on Saturday, October 9th and touring the Jelly Belly Factory on Sunday, October 10th. Our Hospitality Room will be open to greet you (and your family if they're coming with you) on Friday evening, October 8th. We're planning on serving soup and sandwiches as well as snacks and drinks. We hope you'll join us!

We will have our usual chapter check-in and national update in the morning on Saturday followed by a workshop on our theme: *What can FMA do for YOU and your chapter? What can YOU do for FMA and your chapter?* We are going to take advantage of the opportunity to have a large, diverse group of FMA leaders together with several hours to look at the future of FMA and to discuss how we can position our already great association to serve the needs of current and future Federal Managers and be sustainable, relevant and useful. We will forward specifics on this workshop with your registration confirmation. We look forward to hearing your ideas!
